

THE ATTITUDE + APPROACH OF AN APOLOGIST

1. What did Paul do when he first arrived in Athens?
How is this linked to the approach of an apologist?
2. The video mentions the relationship between Christians and the culture.
What is that relationship? Do you agree or disagree with the video? Why or why not?
3. How do Stoics and Epicureans describe Paul in Acts 17? What is Paul's reaction? Did Paul's attitude change towards these two groups of people? What example does this provide us?
4. At the Areopagus, Paul tries to build a bridge with the people in Athens. Explain how he does this. Were there any prior experiences upon which Paul utilized? What Old Testament scriptures does Paul use in his sermon? Why?
